

Rental price list Powder snow room

The mobile powder snow room is equipped with the latest POWDERstream snow production technology and a unique eyecatcher that you won't find anywhere else in the world. Due to its wide range of possible applications, it puts brands in the spotlight during fairs or roadshows. You can invite guests of a wellness facility to cool down in a snowy landscape after a sauna session or you can use it as a test facility to put a product to the ultimate performance test - for all this and much more you can use the mobile powder snow room. Through the large windows, visitors get a unique view of the snow flurry inside.
